Tuition and Fees

*All students are required to pay an annual Membership Fee. This fee is paid at the time of enrollment and then again, every twelve months thereafter. This charge is non-transferable and non-refundable. There are no family discounts on the Membership Fee – it is a per child fee.

*Tuition is paid every two months. We do offer an early bird discount to those customers who pay their tuition fees before the session begins. If you pay your child's tuition after the session has started, the regular tuition prices will be in effect. Once your child is registered in a class, his/her spot in the class will be automatically held for them for the next session. Session dates are listed on our yearly calendar in front of the office. **It is your responsibility to pay your child's tuition on time.**

*We offer an auto-pay option that you can sign-up for in the office where we charge your credit card at the beginning of each session and you will receive the early bird price for always paying on time.

*If we held your child's class and your child does not attend the first two classes of the next session and you have not paid, your child will be dropped from their class and they will lose their spot in that class.

*If your child attended the first two classes of the session and you have not paid tuition, your child will be dropped from their class until tuition is paid in full. Once dropped from class, there is no guarantee that there will be a space available in the same class. If you choose not to return at that point, we will send you a bill for the first two classes your child attended and payment will be expected promptly.

*If you are planning on dropping at the end of a session, please fill out a drop slip located in front of the office and turn it in to the office so we may drop your child from the class. Please do not rely on the coach to remember to notify the office.

*Returned Checks: Each returned check will incur a \$25.00 charge.

*Refunds: If you drop your child from their class and want a refund of the tuition fee, tuition can be refunded from the day you notify the office you are dropping your child from class. We can put your money on account for future classes or activities or we can refund the monies to you.

Your Child's Class Position

*Once you start your child in our program and pay his/her yearly membership fee and tuition, we consider your child enrolled in our program. This means your child automatically remains enrolled in the class for future sessions until you notify SCGC in writing that you are withdrawing your child. You may withdraw and re-enroll your child at any time throughout the year your membership is active and your tuition is current.

*You may transfer or add classes at any time throughout the year whenever and wherever space is available. These changes must be scheduled through the office.

*If you drop your child for a period of time, but plan on returning – do not assume your child can come back to his/her original class. There may not be space available. Additionally, if your child has been absent for over a session period, your child will need to be assessed to make sure skills, strength and flexibility have not been lost.

*If you are planning to drop your child, be sure all make ups are done prior to the drop date. Once you have dropped from the program, make-ups cannot be scheduled.

Make-Up Classes

*We believe it is important our students attend their regular classes. However, if a student must miss a class because of illness or other reason, we do offer 2 make-up classes per session as a courtesy to our customers.

*Make-ups can be arranged during the week on a space-available basis for students who accounts are paid in full. You must call the office in advance to reserve a space. Drop-in makes-ups are not accepted. All make-ups must be done within 30 days of the absence.

*As we allow only one make up student in any one class grouping (to ensure small student/teacher ratios), 24-hour notice is required to cancel a make-up or that make-up cannot be rescheduled.

The Five-Minute Rule

*To ensure your child gets a proper warm-up, it is vital to be punctual. Things do happen that cause delays, so we give a 5-minute leeway. If you are more than 5 minutes late, your child will not be admitted to class. You may schedule a make-up.

Other Policies

*NO ONE is allowed in the workout area of the gym except for gymnasts, coaches and employees. When your child is in class, **you should not talk with him/her.**

*APPAREL: A leotard is recommended for girls. Girls may also wear leggings, stretchy shorts and t-shirts or sweats. Log hair must be tied back. Jewelry should not be worn. Boys should wear stretch shorts and t-shirts or sweats. Clothing should be free of buttons, snaps and zippers.

*NO FOOD OR DRINK is allowed in the workout areas, on the gym floor, or in the viewing area.

I understand and agree to abide by the Rules and Policies of SCGC
