

### Santa Cruz Gymnastics Center Covid-19 Policies 2021

I want to do my part to help Santa Cruz Gymnastics keep my child(ren), their coaches/staff, other families, and everyone else at the gym as safe as possible during the COVID-19 pandemic. I have read, understood, and agree to the following policies and procedures.

Note: Every family must have this agreement on file before a gymnast can participate in activities.

I understand and agree that:

- All participants, members, staff will have their temperature checked with a touchless thermometer prior to entering the facility and anyone with a temperature above 100.4 will not be permitted to enter.
- No parents will be allowed in the lobby or any viewing area to help us adhere to the county guidelines regarding the number of individuals permitted inside our facility.
- Any individuals entering our facility must wear a mask that adequately covers their mouth, nose, and chin. Campers will always wear masks but with regular breaks for water and to catch their breath. In addition, campers will be eating snacks and lunch outside following social distancing guidelines.
- Campers will maintain social distancing during times when they must remove their masks, such as water and food breaks. However, due to the nature of our activities, social distancing cannot always be guaranteed. I accept that my child(ren) will engage in less than prescribed physical distancing and may have incidental contact with other gymnasts.
- Only coaches who are fully vaccinated will be engaging in hand spotting of campers. Un-vaccinated coaches will continue to educate their gymnasts while practicing social distancing.
- Campers should bring a backpack with a lunch, healthy snack, water bottle, room for shoes and clothing. Campers can wear athletic clothing such as shorts, t-shirts, tank tops, and leggings. Layering clothing is also good as the mornings may be cold.
- I will have my child(ren) wash their hands and feet thoroughly upon arriving back home.
- I agree to keep my child(ren) home if they or anyone in my family is coughing, has a temperature over 100.4 degrees, or is exhibiting other COVID-19 symptoms. I agree to pick up my child(ren) immediately if they start to exhibit any signs of illness. Any child(ren) showing signs of illness will immediately be put in an isolation area until a parent comes to pick them up.
- I understand these procedures will change and evolve over time and I will follow any new standards required by the state of California and/or Santa Cruz Gymnastics Center.
- I will support and educate my child(ren) on SCGC's social distancing and safety guidelines and understand their participation is reliant on them following these guidelines.
- If a member contracts COVID-19, we will immediately contact all close contact members via email. We will use our software system, attendance, and rotational schedule as a tracing mechanism to determine who the infected member came in contact with during gym hours.
- There will be no refunds for any gym closures due to Covid-19.

I understand I am voluntarily allowing my child to participate in programs and activities offered by Santa Cruz Gymnastics Center knowing it is impossible to keep them, myself, or anyone else who enters the gym completely safe from the exposure to the COVID-19 virus. I accept that risk.
